

100 BLACK MEN OF LONG ISLAND 38TH ANNUAL GALA JOURNAL CONTRACT

For over 38 years the 100 Black Men of Long Island have chosen mentorship as the path to nurture and grow our young people. As community mentors our goals are to promote intentional learning, which includes aptitude building through methods such as instructing, coaching, providing experiences, modeling and advising. The primary focus of 100 Black Men of Long Island Inc. is to prepare young people who may be at risk for the future by assisting in the enhancement of their academic skills and my increasing their educational opportunities. The programs that directly address this focus are: Mentoring, Scholarship, Achievement Awards, African-American History Bowl, Job Training, and Health & Wellness.

To commemorate this celebration, there will be a 'GALA' Journal. We ask for your support in this endeavor by placing an ad of congratulations to the Spirit of Mentorship and the 38 years of community service of the 100 Black Men of Long Island, Inc.: or an ad to say "Congratulations" to any one of our Distinguished 2012 Honorees.

For your convenience, enclosed you will find a journal ad request form, which may be submitted with your ad materials. Ads may be submitted as per the Gala Journal Committee specs.
